Salhouse Weekly Update	Wk commencing 22nd September

Dear parents and carers,

It's been a busy week in school, which we've all enjoyed in spite of the very changeable British weather!

We have been impressed with the hard work going on in the phonics sessions of children in Reception, Year 1 and Year 2, and have seen some excellent engagement across Years 3 – 6 in lesson time too.

Our online learning platforms for children from Year 2 up (Doodle) and Year 3 up (Times Tables Rock Stars) are fully operational, with many children logging in and completing the challenges that their teachers have set for them as part of their home learning package. Please encourage your children to take part too!

Our librarians have spent time organising the school library this week, doing a fantastic job of sorting and filing. Well done to you all. ☺

A reminder that Doodle training for parents new to the platform is taking place in school on Thursday, come along if you can to learn a few tricks about helping your children get the most out of their membership.
