**Sports** – We are so very fortunate in this school to have Mr. Ward to train our children in all manner of sports. We are also grateful to him for organising and accompanying teams of children to tournaments and away matches. We have recently had cross country and tag rugby tournaments and next week is the football tournament. Our children are lucky to get such opportunities to demonstrate their skills. Our Grebes class were also fortunate to have sessions on archery, canoeing, circus skills, low ropes, team building, climbing wall and zip wire fun during their recent residential stay at the Horstead Centre.

**Singing** – For several years now, our school has taken part in the CASMA singing event at St. Andrew’s Hall where many Norfolk schools join together to sing a selection of songs. This year is no exception and I know Mr. Morgan and the Herons class have been working hard to learn all the songs.

**Lost Property** - We now have a very large selection of school uniforms and outdoor clothing without names in them. It is such a shame that good quality clothing is not with its rightful owner. Please visit the lost property pile and have a look. You may be surprised to find something you recognise.

**Tesco vouchers, Sainsburys vouchers, empty ink cartridges, cereal box tops** – we take them all and they are much appreciated.

Last week the children took part in **World Maths Day and World Spelling Day**. They improved their skills by competing against children from around the world. It was very exciting and we should have some results for you soon.

**Vacancy** – A vacancy has arisen at the school for a cheerful person who can serve up school dinners every day. Training is provided. You just need to be available to work every lunchtime for between 1½ -2 hours. Further details are available from the school office.

\*\*The cost of school dinners will increase to £2.10 from the beginning of the summer term. This still represents very good value for money for a hot, well-balanced meal.
