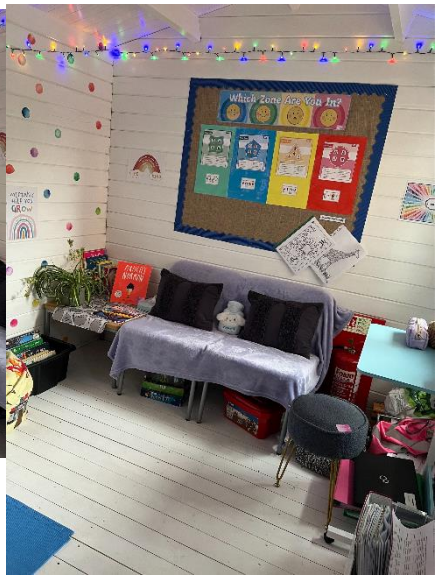
Salhouse Weekly Update

Wk commencing 20th October

Dear parents and carers,

It's been another busy week in school, with pupils making the most of opportunities including graffiti designs, creative writing and Forest School.



We would like to share some images of our fabulous Zen Den with you; this space is our redesigned cabin – which Miss Bolton and others have spent time lovingly designing. The Zen Den is used to help children regulate their emotions and is also where sensory circuits and some pastoral work are carried out. Using principles of Hugge, the Zen Den is already benefitting many of our pupils and further enhances our provision at Salhouse.

Mrs Sonnex, Executive Headteacher and Mr Emmens, Head of School

Menu Changes

Safer eating

Please can we ask that, if you are providing grapes or older small fruits for your child's snack, that these are cut in half length ways?

This is an important measure to reduce their risk of choking.

Thank you for your support.

You all helped raise an amazing £188.50 – what a fantastic achievement!
