Salhouse Weekly Update	Week commencing 9th March

Dear parents and carers,
We have had a lovely (but busy) week at Salhouse. There are definitely signs of spring and we have been able to use our field again! Today we are celebrating World Book Day. Look out for photos on our website! The children look amazing, thank you for supporting this. Today they will be taking part in lots of activities in class linked to books and reading. Don't forget to use your £1.00 book token by 15th March.
Thank you for supporting our torchlight story event yesterday. It was so lovely to see so many children enjoying sharing a book with their adult. Thank you to Mrs Morgan for organising this and to FOSS for providing refreshments. Thank you to our Grebes families for joining us for the Grebes learning café this week.
Our Year 6 pupils have had good weather for their Hilltop residential this week. They have had a fantastic 3 days in Sheringham learning new skills and developing independence.

We would like to make you aware of our Easter Services which will take place at Salhouse church this year. The service will be led by Rev Naomi Tuma. Families are very welcome to join us. The Reception/KS1 service will be at 9.30am on Monday 23rd March and the KS2 service will take place at 9.30am on Thursday 26th March. School staff will walk children to and from the church.

Mrs Sonnex, Executive Headteacher and Mr Emmens, Head of School

TOTS 2 TEENS

The Tots 2 Teens Easter brochure is now available and attached.
Booking opens next week.

Tots 2 Teens is part of the Big Norfolk Holiday Fun Provider and if your child is eligible for means-tested free school meals, they will be able to attend session during the Easter Holiday for free.

Coots Animal Encounters

We had an exciting visit from Nathan's Animal Encounters, where the children explored a range of animals including a snake, millipede, tree frog, and gecko. They enjoyed holding and observing the animals while learning fascinating facts about their diets and habitats. This visit linked perfectly to our minibeasts science topic and was a fantastic start to Spring 2. We are very grateful to FOSS for funding this experience.
