### VERUCA SALT'S SALTED CARAMEL WALNUT CLUSTERS

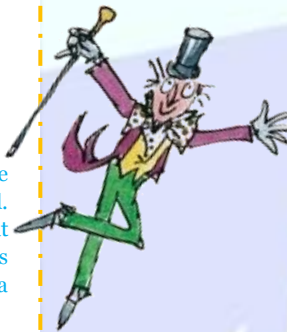

#### You will need:

- 250g shelled walnuts in halves
- 150g sugar
- 100ml double cream
- 40g golden syrup or molasses
- 40g butter
- ½ tsp salt
- 100g dark chocolate, broken into small bits (optional)
- 20 or so fairy cake paper cases and a sugar thermometer

#### What you need to do is:

To make the caramel, put half the sugar in a pot with 2 tablespoons of water. Place over a high heat and leave to melt. Do not stir, but swirl the pot around if needed. Once the caramel becomes a dark reddish brown colour, remove it from the heat and add the rest of the filling ingredients. Be careful not to stand over the pan, as the caramel will steam and bubble. Swirl the pan around before returning to a medium heat.

Cook for 4-5 minutes or until it reaches 126°C. Stir in the walnuts until they are thoroughly coated with the caramel. Leave to cool for 5 minutes before spooning small heaps into the fairy cake paper cases. Leave the clusters to set at room temperature (or to speed up the process, stick them in the fridge) before eating. Optional chocolate topping: Melt the chocolate in a bain marie (bowl over simmering water). Drizzle some of the melted chocolate back over the clusters. Freeze for 3 hours minimum

## Musical Theatre Club

The Musical Theatre Club performance was amazing, what a talented bunch! We cannot wait for the next performance. A HUGE thank you to Mrs Durrant

## GOOD LUCK MRS HILBURN

Mrs Hilburn is leaving us on Friday. She has worked with the children at Salhouse for 18 years! Thank you for your wonderful contribution. You will be missed. We all send our warmest wishes XXXX

## Message from Richard Barker...

### Newly appointed Vice Chair on the Governing Body

As a relative newcomer to Norfolk, but with experience of being a school governor in Kent, I was delighted to be asked to join the school governing body recently, and to have the opportunity to meet the staff and children. I was most impressed by the dedication of the staff and their obvious care for the children. This was equally reflected by the exemplary behaviour of the children and their confidence and lively sense of enquiry, as was demonstrated when they asked as many questions about me as I did about them! I very much look forward to getting to know the school better, and working with the headteacher and other governors to support it.

## WOW moments this half term...

### Coots

"Going on our first school trip to the Cathedral"

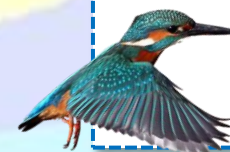

### Bitterns

"The Bitterns thoroughly enjoyed the visit from the mini monster man. They had the opportunity to hold a corn snake, a giant African snail, a millipede and a bearded dragon".

### Kingfishers

"The archery morning was fantastic; we all loved trying something new!"

### Grebes

"We LOVED building a model Roman town!"

### Hérons

"We have loved reading 'Eye of the Wolf' and creating our own stories from this. Forest School Fridays are awesome fun".

### Fledglings

The Fledglings loved meeting the mini beasts. They were so brave!

## Sport Update

### Rugby & Football

*We made it to the finals of the Tag Rugby tournament! Our football team is still LEAGUES ahead.*

## Staff Training

We are always learning new things alongside the pupils.

This half term we have worked with the cluster on moderation, taken an online safeguarding course, attended Step On AND hosted Embedding Excellence training. PHEW!

## Sentence Snatchers

HUGE thanks to FOSS who paid for the performance of the Sentence Snatchers by the Flat Pack Productions Theatre Company.

The production was about facing your fears, going on adventures and finding your true voice. Everyone loved it; it has inspired the children in lots of different ways.

## Letter from the Head...

What a lovely half term it has been. Everyone has been working hard and enjoying such a wide array of activities. There are lots of happy faces at school every day.

The children are making good progress. I have been excited to see how their handwriting is improving.

See below for some examples. GREAT!

Wishing you all a great half term holiday

## E Safety

The internet is amazing. Children can play, learn, create and connect - opening up a whole world of exciting possibilities. But how do you keep track of what they're doing and make sure they're staying safe? Whether you're an online expert or you're not sure where to start we've got 4 key tips help you:

- explore the online world together
- talk to your child about staying safe online
- manage the software and tools your family use
- agree rules about what's ok and what's not

This introduction was taken from the NSPCC site which is well worth a visit. <https://www.nspcc.org.uk/preventing-abuse/keeping-children-safe/online-safety/>

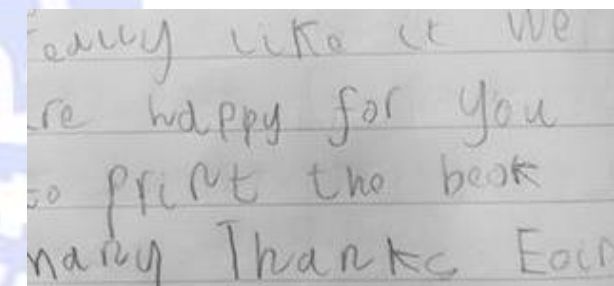

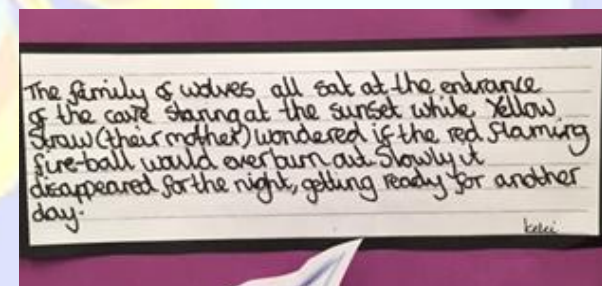

## Extreme Reading

Extreme reading is the most obscure and entertaining place that you can be caught reading!

Send us photographs of you and your family doing some 'extreme reading'. Maybe reading whilst: hanging from a tree, sitting in the dog basket, as you jog etc.

We will display the photographs in the library for all to giggle about. This will be a great start to our celebrations for World Book Day [www.worldbookday.com](http://www.worldbookday.com).
