Dear Parent/Guardian,

Circus Ferrel is coming to the school for the week commencing May 2nd and all of the pupils will be taught a range of circus skills free of charge in their big top during the week. Starting on Thursday 4th May there will be 3 full circus shows **open to everyone** lasting approximately 90 minutes including an interval.

Every child also has the chance to perform in these circus shows alongside the professional performers. In order to do this your child **must** be accompanied by an adult during the shows to supervise them when they are not actually performing. You will also need to purchase tickets for your child and accompanying adults as your child will only be participating in a part of the performance.

You can of course come and enjoy any of the shows if your child does not wish to perform. Tickets can be ordered from the school using the form at the bottom of this letter for any of the shows. Tickets will also be available on the door 20 minutes before show times. As ticket sales are the only means that the circus has of supporting the free workshops please bring as many family and friends as possible!

Yours sincerely
