Dear Parents & Carers,

Car parking at drop off & pick up times

Please can I ask for your help and consideration with parking in and around the school car parks.

There have been times in the morning when staff cannot park in the front staff car park due to cars being parked to drop off children at Fledglings and Breakfast Club.

Staff using the back car park between 08.30 and 08.45 regularly find it difficult to park as the entrance to the car parks are blocked by parents dropping off children.

I would like it to be straightforward for all staff to park in the mornings so they can get into school and prepare for the children's arrival.

Thank you all for your continued support and cooperation with this matter.

With regards,

Ms Julie Church
