

BROADLAND  
Cluster of Schools

**BROADLAND CLUSTER**  
**Key Stage 1 Online Safety Event - Monday 3<sup>rd</sup> July 2017**  
**Rackheath Primary**

Dear Parents/Carers

On Monday 3<sup>rd</sup> July all schools within our cluster are coming together to bring a shared and important message to our children. All children from year 1 to Year 4 will participate in an online safety workshop led by ESTE Trainers, rated by Ofsted as Outstanding.

The children will have workshops in year groups or Key Stages and all sessions will be held at Rackheath Primary School to ensure as many pupils as possible can participate. We have organised transport to and from Rackheath Primary School for all our pupils.

The workshops will encourage children to think about how they behave online and what apps they are using. It will highlight what is safe and what is not and how to improve their safety online. As a Cluster we feel this is a very prominent and urgent issue and that it is essential our young people are as equipped as possible to stay safe.

If you would like to see the trainers in action please look at a clip on you tube via the following link.

Thank you for your support in this essential area.

Best wishes

**Cluster Headteachers**

***Please note there will also be a session for parents at Rackheath Primary School on Monday 3<sup>rd</sup> July at 6.30pm. The feedback we have received is; it is NOT to be missed!***

**Key Stage 1 Online Safety Event**

I give my child permission for my child to attend Internet Safety Talk  
On Monday 3<sup>rd</sup> July
