

Autumn Term: Earth, Wind and Fire

As an author your child will:

- Write for a range of purposes e.g. weekly news writing, instructions, non-fiction and fiction texts.
 - Learn grammatical rules
 - Focus on spellings
- At home, reading regularly will support your child's writing skills. We expect your child to read three times a week.

As a mathematician your child will:

- Learn to reason, problem solve and gain fluency.
(Please see the attached overview for this term.)

As a scientist your child will:

- Learn about the weather
 - Explore the seasons
- Qu: How do meteorologists predict the weather forecast?

As a geographer your child will:

- Investigate cold and hot countries.
 - Learn about different environments
- Qu: How does the world compare to where we live?

As an historian your child will:

- Study Bonfire night.
- Qu: Who was responsible for the Gunpowder Plot?
- Explore the Great Fire of London.
- Qu: Why did London burn?

As an artist your child will:

- Create sculptures using clay.
 - Focus on Robert Long
- Qu: How do artists use their imagination?

As a musician your child will:

- Express themselves by singing songs.
 - Learn chants and rhymes.
- Qu: Are our voices like other instruments?

As a theologian your child will:

- Seek understanding of the Creation Story.
 - Write their own prayers.
- Qu: According to the Bible, how was the world created?

I hope you have found this information useful. Please find attached a copy of the maths overview and also a mini topic overview which we will be following in Coats this year. Additionally, on Tuesday mornings Mrs Feeley will teach the children and on Thursday mornings the children will have PE with Mr Ward. Also, we continue to have Mrs Livermore Mondays-Thursdays and Mrs Chambers from Pre-School on Fridays. I look forward to working alongside you this year to support your child to develop and progress. If you have any questions or queries please do not hesitate to speak to me. Many Thanks, Mrs Beavis.
