May 2018

Dear Parent/Carer of Herons Class

As part of our topics on 'Rivers' and also continuing the development of our PE curriculum, I have arranged for Herons to try out sailing at Horning Sailing Club which is a Royal Yacht Association training centre, they passed their inspection with flying colours last week.

The children will be supervised by RYA sailing instructors and will row/sail small dinghies called Optimists. Local scout groups and Horning Primary School already use this facility regularly in the summer so I thought, as a sailing enthusiast and dinghy instructor myself, we should take advantage of this opportunity too!

In geography lessons, we have already looked at local rivers and Horning on Ordnance Survey maps, so this will provide a real opportunity to see a 'meander' and experience inland tides, as well as look at the local wildlife habitat of the Broads.

The children should come to school in comfortable outdoor clothing; tracksuits, leggings, jumpers and old trainers (**not wellies**). They should also bring spare clothes and trainers/shoes too (just in case and for Forest School in the afternoon, back at school).

Buoyancy aids will be provided by the training centre. We are travelling in the BHS minibus with Mr Ward and me, half a class at a time. A packed lunch is also needed.

The cost is £5 which you can pay in cash to the school office or on Pupil Asset.

With Best Wishes

Mrs Jo Edwards
