

Salhouse C of E Primary School Long-Term Plan 2018-2019

The **aims** of Salhouse School's long term plan are to ensure that we have a curriculum which:

- supports children to become independent, resilient and confident lifelong learners
- provides linked learning experiences for children from 2- 11 and takes account of their interests
- offers opportunities for parents and family to get involved at home and in school
- embodies rigour and high standards and creates coherence in what is taught
- ensures that all children are taught the essential knowledge in the key subject disciplines
- allows teachers greater freedom to use their professionalism and expertise to help all children realise their potential.
- is differentiated in order to take account of the interests, abilities and needs of all learners, building on their previous knowledge and experiences.

The plan is a live document and will be modified throughout the academic year. Teachers will write medium and short term plans. Medium term plans will be shared with parents in the form of Parent Plans. Opportunities to assess children's attainment and progress are constantly planned into these plans. Methods include observations, marking, and feedback, peer questioning and personalised support.

Modern Foreign Languages: French is studied throughout Key Stage 2 focusing on basic vocabulary e.g. colours, numbers etc. In Key Stage 1 children will have opportunities to explore language through day to day activities e.g. greetings as part of answering the register. We celebrate our diverse culture and will draw on children's own experiences and backgrounds.

Religious Education: There is a separate long term plan for RE following the enquiry based model. This can be accessed through the school website.

Physical Education: All pupils receive P.E lessons taught by a qualified sports coach alongside the class teacher.

Over the Academic year **Key Stage 1** children will cover: Multi skills, games, gymnastics, dance, outdoor adventurous activities and athletics.
Key stage 2 children will cover invasion games, net and wall games, gymnastics, outdoor adventurous games, striking and fielding and athletics

Early Years Foundation Stage for pupils aged 0 – 5: Reception children will be taught in line with the EYFS Curriculum. The teacher and Nursery Manager will link their plans to the KS1 and KS2 Curriculum plan.

Home Learning activities: Opportunities for these will be shared on the class parent plans which come home each term sharing in greater detail what each class will be doing and how families can get involved.

Overview:

Term	Theme	Core value
Autumn 2018	A Wonderful World of Opposites	Respect Responsibility
Spring 2019	Dragons!	Perseverance Trust
Summer 2019	The Circle of Life	Courage Compassion
