

Lunches at Salhouse School

There is a variety of options available; a lunch can be ordered from the school or they can bring in their own lunch to enjoy. School lunches are free in YR, Y1 and Y2. From Y3 onwards they are £2.20 each.

The Menu

The menu works in a three-week rotation, (we are now in **WEEK TWO**) the date of when each week commences, either 1, 2, or 3 is at the top of the menu. Norse Catering do their best to provide a healthy and varied menu and the kitchen at St Johns Community School work incredibly hard to prepare and serve hundreds of meals, going above and beyond every day. They have been known to drive over with an extra ham sandwich! Paper copies of the menu are available from the school office, but they can also be viewed any time online; see below.

How to Order

You can fill the form in in the Coats classroom or you can write your child's meal choice in their communication book; this information will be passed on to the school office.

You can use the Pupil Asset Parent App. As you know we use Pupil Asset; a student information management system. We also use this software to coordinate and record our school lunches. Because of this you can pre order/book your lunches using the parent app or the parent portal. To use this system, ***you must use the same email address to create an account as the email address/addresses you have given us.***

The app is improving all the time and many of our parents use it every day. Log on to [this site](#) to log in to the portal or download the app. Please note that the portal is a short-term measure while the new and improved Apple version of the app is approved by Apple.

If you use the app you will be asked to choose from a list of abbreviated meal choices. See below for a more detailed explanation; I think you will agree there is a lot of choice if the main hot meal is not to your child's liking!
