It has been lovely welcoming your children back after their summer holiday. As staff, we enjoy our holidays but we are always itching to get back into the swing of school life. The children have settled back into the school routine so well and as ever we all feel so proud of them. Thank you for all you do to support the efforts of the school and I look forward to all the excitement of another busy school year. Please remember that although my time is split across the three schools, I will always make myself available if you need to discuss any matter.

With my very best wishes,

Julie Church

Welcome to our Reception children

Starting school is a big deal for all concerned. Our Reception children (and of course their parents) have shown great courage to settle into Big School so quickly. Well done!

Changing schools is never easy either, so well done to Jude and Tiana who have joined Year 2 and Year 6

Senior Pupils

In the first assembly we acknowledged our oldest pupils in Year 6 who all the younger pupils look up to. They have 'walked the walk' through Reception and Years 1,2,3,4 and 5. We wish them well in their final year at primary school. You might see them sporting shiny 'Senior Student' badges as they pass.

Our core value this half term is

The Year 6 pupils who were interested in being House Captains bravely put themselves forward for an interview and did themselves proud. Leaders in the making!

Here are a couple of the interview questions, how would you have answered?

1. How do you think being a House Captain could help you in the future?
2. Which of our core values do you think is very important and why?

Well worth a visit!

Please remember to name all your belongings so that lost property can quickly find its owner.

Anti bullying

Our aim is to create a talking culture in school where any hurtful behaviour is quickly brought out in the open, and discussed and dealt with. To help with this, Mrs Feeley is our anti bullying champion who will be ably supported by Emma and Carys in Year 6 who are our anti bullying ambassadors.

Staffing News

We would like to introduce and welcome two new members of staff. Miss Chamberlin and Ms Nightingale who have been appointed as special educational needs classroom assistants. We hope they will be very happy in their new roles.

Miss Chamberlin

Miss Nightingale

If you would like to volunteer at school please contact us. You could support in a classroom, hear readers, deliver as assembly, help in the library or maybe you have another good suggestion.

Wanted: would anyone like to help creosol the fence around bitterns?

School Dinners

A polite reminder that children order school dinners during morning registration. If you know your child will be late into school please ensure you have ordered the night before on the Pupil Asset app or send a packed lunch.
