

Year 4 Home Learning

Week Beginning 29.6.20

Art

A sketch-a-day! Remember to... ✓ Persevere and keep trying – do at least two drafts of each picture.

- ✓ Self-assess your work. Look for **specific** things you could improve. For example: “I need to make the dog’s nose longer”; “the people on the boat look too big”; “the eyes are too high on the face”; “this line is too straight – it needs to curve”.
- ✓ Experiment with different media (pencil, pen, paint, etc).
- ✓ Explore other tutorials if you want. There are lots of video tutorials on YouTube. (My current favourite channel is “Watercolor by Shibasaki.” ☺)
- ✓ Have fun! Send me your results – rleaver87r4@nsix.org.uk

Spellings

We continue revising old spellings this week.

Writing

Slow Writing (see separate sheet). Come and join our Zoom chat on Tuesday at 10 to do some shared writing! (Your parents will have received the invitation by email.)

Reading

Keep reading the Bug Club books that have been set for you and answering the comprehension questions.

Study Ladder

Daily grammar and Maths practice.

See you on Tuesday!

Mr Leaver
