

## Welcome to our Kingfisher class.

PE - Thursdays, please come into school in your kit

Mrs King - Monday / Friday

Mrs Collins - Tuesday - Thursday

Spellings – You will receive spelling lists for this half term and the children will have their spelling test on Fridays. Any practising at home will give your child/ren confidence in class.

Reading / maths - this will be set using activelearn, you will receive an update up your child's password. It is expected that this work is completed regularly so please let us know as soon as possible if your child is unable to do so and we will provide time in school.

## History

Find out about famous people in the past linked to medicine.

How things have changed in our lifetime and in the lifetime of others.

Would I prefer to be in hospital now or when Edith Cavell was alive?

What did Doctors do before x rays?

Have there always been ambulances?

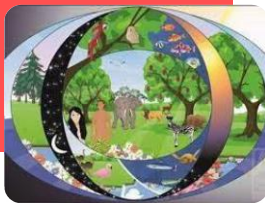

## RE

The Story of Creation

Festivals (Diwali, Hannukah, Christmas)

How do festivals bring people together?

What is Trinity?

## Art

Exploring different illustrators - Janet Ahlberg

Creating pictures with moving parts.

Exploring art in black and white.

## Kingfisher class – Autumn Term Parent Plan

## Science

Labelling parts of the human body

Exploring and naming our senses

Understanding the importance of diet, exercise and hygiene.

What makes us all the same? What makes us different?

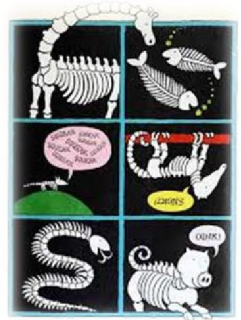

Do all living things have a skeleton?

## Music

Composing and performing songs linked to the human body.

How can music affect your body?

Exploring rhythm.

## Geography

What are aerial maps? How do you make them, why are they helpful, who uses them?

Compass directions

Using positional language

Beginning to explore coordinates

## Sensory Garden

Kingfishers will be setting up a sensory garden. Activities in this will be cross-curricular and focus on the overall well being in addition to academics.
