13th November 2020

Dear Parents and Carers

In light of the growing numbers of COVID-19 cases in the Broadland area – it is so important we respect and follow the national guidance with regards to social distancing.

Parents are concerned that people are gathering too closely particularly at drop off time and at times staying on the pavement area talking to one another.

Please can I appeal to you to be very mindful of social distancing and respect the health and safety of others.

From Monday, we will try a new system for Kingfishers, Grebes and Herons.

Kingfishers parents will queue on the pavement against the hedge leading to the pedestrian gate.

Grebes parents will queue on the pavement leading up to the main car park gates.

Hérons parents will queue on the grass behind the cars in the staff car park.

As you get to the front of the queue your child will be called forward.

If family members are collecting, please make sure they know the correct place to queue.

Best Wishes,

Respect | Responsibility | Courage | Trust | Perseverance | Compassion

Ms Julie Church
