

Trip hopefully to the Wind Energy Museum and Thurne mill - tbc

HERONS YEAR 5/6 AUTUMN 2021
MRS EDWARDS SUPPORTED BY MS STEVENS, MRS FEELEY AND MRS HOLMES.

Maths

Children will be working on their separate year group's National Curriculum content. Half-termly assessments. Weekly times tables tests following daily calculation practice

During RE, we will wonder

How do different religions explain the creation of our world?

We will celebrate Harvest as a whole school using "The world came to music today" story and near Christmas, we will

Is Jesus the Messiah? What does that mean to Christians?

PE

Swimming on Weds for second half of term

Invasion games Thurs with Mr Ward.

As historians, we will find evidence:

✓ Why are Wherries so special and why are there so many windmills in Norfolk?

In Computing, we will question:

- internet safety. What is spam?
- Are all photos real?
- How do you make and keep passwords and yourself safe?

English

Spelling, Punctuation Grammar – daily
Reading – groups and individual daily.

As writers, we will create a 5 part story based on the "Firework maker's Daughter" (a strong female role model) by Philip Pullman, using dialogue to show character; write instructions.

We will recount a trip; develop explanation texts and formal writing

**EARTH, WIND
& FIRE**

As Artists and Designers, we will create:

- Sculpture inspired by Anthony Gormly and indigenous people such as the Inukshuks (Inuit) and Aborigines. and from Easter Island-
- self portrait (A federation project.) How accurate can you get your skin tone with paint?
- windmill designs-links to history and the future

Spanish: As linguists we will learn words, phrases and how to write them too and hold short conversations in Spanish.

As Scientists, we will investigate:

Soil, rocks and fossils. How are they formed and what use are they? "Pebble in my pocket" book will help us

Irreversible changes . What's the difference between boiling and burning?

Wind power- how efficient will our blade designs for our windmill be?

As musicians, we will enjoy a new scheme called "Charanga" : How does music bring us together and how does music teach us about the past?

Forest School Fridays (usually) NEED OLD CLOTHES! developing our school 's core values which for this half term, we are focusing on: **RESPECT** and **RESPONSIBILITY**

Being Geographers, we shall find out:

Where do extreme weather events happen in the world?

How do they affect the physical and economic activity in countries?

What are tectonic plates and why don't tsunamis, earthquakes and volcanoes happen here?

Home learning

- Please continue to encourage reading at home and practise fast recall of times tables, number bonds and telling the time.
- Try to keep in the green zone for all the doodle apps. We will do practise spellings during school
