19<sup>th</sup> November 2021

Dear parents and carers

I wanted you to know that we have one child in Herons who has tested positive on a Lateral Flow Test and another pupil in Herons awaiting a PCR result due to COVID related symptoms.

I hope we can work together to minimise transmission to avoid any further disruption to our children's school education.

Children should only attend school if they are 100% well. If they show COVID related symptoms, please arrange for a PCR test and only send your child back to school when they are well enough and have a negative result.

Be aware that Public Health Norfolk has informed schools that tummy upsets can be a symptom in children.

We can minimise transmission if we can identify and isolate positive cases early. Please test your child using a lateral flow test at least twice a week. These can be obtained from local pharmacies. If anyone gets stuck, we do have some at school.

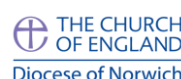

We will contact you if your child develops symptoms at school and ask that they be collected and take a PCR test.

If any member of your household has tested positive, please do not send your child to school unless they have a negative PCR result.

Teachers will provide home learning for children who need to self isolate.

We continue to use control measures. The key ones being: ventilation, hand and respiratory hygiene and enhanced cleaning. We will temporarily stop full school assemblies and we will continue to maximise time spent outdoors.

**Respect** | **Responsibility** | **Courage** | **Trust** | **Perseverance** | **Compassion**

I do not wish to alarm anyone but it is important that we act quickly and I want you to be aware of cases at school so that you can make decisions that fit with your thinking and family circumstances.

Best Wishes,

**Ms Julie Church**

Executive Headteacher
