

Dear parents and carers,

Firstly, best wishes to all those who are unwell and/or self isolating this week.

It is good to see classes are fuller than they have been and staff who have been self isolating, starting to return.

I have had the absolute pleasure of teaching Grebes this morning – I should do it more often! There is a lot of writing going on throughout the school this week. The progress the children are making with their writing is wonderful to see. I think they are finding the 'Robot' theme motivating.

Enjoy the weekend

Best wishes

Julie

Governors Visit

What a super warm welcome I received when I visited Salhouse on Monday!

I was greeted with smiles and waves and a buzz of excited activity; the children were all keen to share what they were learning.

In Fledglings there were tiger activities going on, including a tea party for "The Tiger who came to Tea" and lots of busy young people outside in the garden.

What great phonics work the Coots were occupied with, "oo" as in book, look, cook and hook and super cursive writing!

There was more phonics in Kingfishers where I learnt about suffixes, and some great writing and dictionary work in Bitterns.

Every member of Grebes was brandishing a ruler of some length, when I entered the room; measuring lines, shapes, perimeters and even the furniture!

In Herons everyone was persevering with the intricacies of long division, all engrossed - well done!

It was such a busy happy atmosphere in the school, a really happy start to my week.

Thank you to all the parents and friends of the school who have been able to offer help and support to the school: you, your children and the whole school staff are simply awesome! Jane Gay
