

Dear parents and carers,

We have had a lovely morning today- Thanks go to Niamh and Daisy A in Herons who decided to take Social Action to organise an event that 1. Brought the whole school together 2. Raised money for Save the Children. It is fantastic to support children with their ideas for making a difference.

Have a good weekend everyone

Best wishes

**Governor Visit**

Message from Jock Grieve one of our school governors who visited the school during year 6 SATS

I thought it appropriate at the end of SAT's week to appreciate the hard work and dedication of the Year 6 students as well as the teachers and support teams who got them ready to sit the four days of exams.

This is the first SAT's testing since Covid-19 struck so it is important and a milestone.

As an observer on Monday, the first day of testing, the school team were focussed and the children ready and eager to get going.

Salhouse is always an enjoyable school to visit but this particular day with such a lot going on and at stake, the professionalism and pride shone through.

**Grebes Reporting**

Over the coming weeks Grebes class will be contributing articles to the Weekly Parent Update, we hope you enjoy them

NIAMH AND DAISY PERFORMED A GYMNASTICS SHOW ON MONDAY 16TH OF MAY FOR THE WHOLE SCHOOL. IT WAS A VERY GOOD SHOW. THEY DID WELL. THEY DID SOME CARTWHEELS, HANDSTANDS, FORWARD ROLLS, FLIPS AND EVEN SOMETHING CALLED A ROUND-OFF FLICK TUCK BACK!

**Fledglings**

Fledglings have been looking closely at our new water feature. It has sparked an interest with the children, discussing how it is solar powered and that the sun makes it work. This extended to talking about how windmills make energy, and then making our own!
