

Welcome to our Kingfisher class.

PE - Thursdays, please come into school in your kit

Mrs King - Monday / Friday

Mrs Collins - Tuesday - Thursday

Spellings – You will receive spelling lists for this half term and the children will have their spelling test on Fridays. Any practising at home will give your child/ren confidence in class.

Reading – Children should read at home daily. We will reward reading at home in class.

History

We will investigate the Ancient Egyptians and how they impact on our lives today. We will also have a focus on Remembrance and the Gunpowder plot and what can we find out from objects of the past.

RE

We will find out why Christmas is important to Christians. We will also be taking a philosophical approach to the big question 'Creation and science – conflicting or complimentary?

Is Jesus the Messiah?

Kingfisher class – Autumn Term Parent Plan 'Spectrum'

Science

As scientists, we will study seasonal change and materials associated to 'light'. We will also investigate light and shadows plus the human eye.

French

As linguists, we will be learning to read, write, speak and listen. Our focus will be numbers 0-20, colours, body parts, foods and animals.

Music

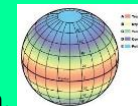

As musicians, we will be exploring simple patterns with a focus on dynamics and tempo.

RSHE

We will learn about safe and unsafe feelings. We will begin to recognise 'early warning signs'. We will link this to our Christian Values.

Geography

We will link to science and continue our study of the seasons and climates around the world. We will also learn

about migration.

Art/design & technology

As artists we will create colour wheels using shades, hues, patterns and contrast printing. We will also be making shadow puppets.

Computing

As computer scientists we will be taking photographs for purpose and editing.

Maths and English

Please refer to the maths and English plans on our class page.
