

Dear parents and carers,

Thank you so much for sending such smart and 'ready to go' children back to school this week.

They have settled in well and hit the road running.

I am so impressed with our new reception children who have shown such courage coming in and being open to new routines.

We also welcome three new children in other year groups. It already feels like they have always been with us.

So all in all a great start to what I hope will be an excellent term.

Best wishes

**Staff News**

Happy news! Sophie Middleton (Nursery Manager) is expecting a baby! We are thrilled for her. It is her intention to return to work following her maternity leave which will start early March and I will update you closer to the time on how we will cover her absence.

Please be aware that Miss Wilson has been called for jury service on 19<sup>th</sup> September. Again I will update Bittern's parents on how any absence will be covered nearer the time.

**Core Value**

Our core value this term is

**RESPONSIBILITY**

## E safety for parents and children 22<sup>nd</sup> September.

Children from year 1 upwards will be attending an E-safety event at Broadland High School on Thursday 22<sup>nd</sup> September.

As parents you will also have the opportunity to attend a session between 7-8.30pm. Teachers that have previously attended the session highly recommend this for parents, it's very informative.

This engaging session will provide information, real life examples and practical solutions to help parents with understand the online world and keep an open dialogue with your children about the dangers.

## Year 6 children walking home

Please can you let the office know if your child will be walking home on their own.

## FOSS Uniform Bank

FOSS will be holding a uniform bank on Wednesday 14<sup>th</sup> September before and after school on the grass by the cabin. All clothing items are available for a donation.

## Friends Of Salhouse School FOSS

The objective of FOSS is to support the school by providing additional facilities/materials for pupils, that are not normally provided by the Local Education Authority, through fundraising and social events, and further relationships between the pupils, staff and parents and the wider community.

All FOSS members are parent volunteers, new members are needed. If you would like to be part of FOSS and help your school please contact Leon Egmore on [foss2019@yahoo.com](mailto:foss2019@yahoo.com) or let the school office know and they will pass your details onto FOSS.

## Morning Snacks

A reminder from all teachers that any snacks that are brought into school must be healthy and must not contain nuts.

Please do not send your child with chocolate, crisps, donuts or other high sugary snacks.
