

Salhouse Weekly Update	Half Term Edition

Bonfire Lunch – Menu change Friday 4th November

We will be having a special Bonfire lunch on Friday 4th November. This can be ordered on Pupil Asset by selecting the hot option for that day or children can order during registration: jacket potatoes and packed lunches will still be available to order.

Christmas Card Designs

Just a reminder that the deadline for submitting an order is 26th October.

The school get a percentage of the order total, so you will be helping the school and getting a wonderful Christmas card designed by your child/ren.

Reference: D – for dinner/lunches, F - for Fledglings, M – Music lessons and V - visits/trips

School Sport Kit

We are missing a lot of school football and sports kit. This would have been worn by children when they have represented Salhouse School at a sports event.

Please can we ask you to check if you have any at home and return it to school. The kit is expensive and the school can't afford to replace it.

Can you help save our local Rainbows unit?

1st Hoveton Rainbows is at risk of shutting at the end of this year and with no space in the district for our girls to move to we need some volunteers to come forward and help.

At Rainbows we offer a safe, fun place for girls age 4-7 to develop and learn new skills whilst making new friends and playing lots of fun games. We have 6 theme awards at which we have activities to do which work towards the girls getting badges and learning new skills. As a leader you have to put together a plan for each term with a variety of these activities and games for them to do, you can also get involved with other units and attend district events.

Being a leader in girl guiding is great fun and very rewarding, you also get to make some great friends along the way.

If you can spare 1-2 hours a week to help keep 1st Hoveton Rainbows open please go to the girl guiding website and fill out the volunteering section.
