

Kingfishers class book for the summer term.

"I had never heard of what refugee meant and I now I understand".

"I really like that the narrator is telling us the story but we don't know their name".

"The book so far has shown that friends can be different in appearance and interests".

"This book has taught us that telling lies and spreading rumours is not ok and doesn't show kindness to others".

"Don't judge people when you first meet them, as you do not know what they have been through".

"The narrator doesn't give up trying to be friends with Ahmet who is a refugee".
