school day

Sitting here under a tree

With pen and paper in my hand, what more do I need?

Waiting for a Big Idea to visit me

I know one will soon appear

Something will come my way

Stories just fill my brain all day

It's time to write them down

Pen strikes the page now and I'm far away now I'm gone

Happy writer, I wanna be a happy writer

I'm gonna be a happy writer

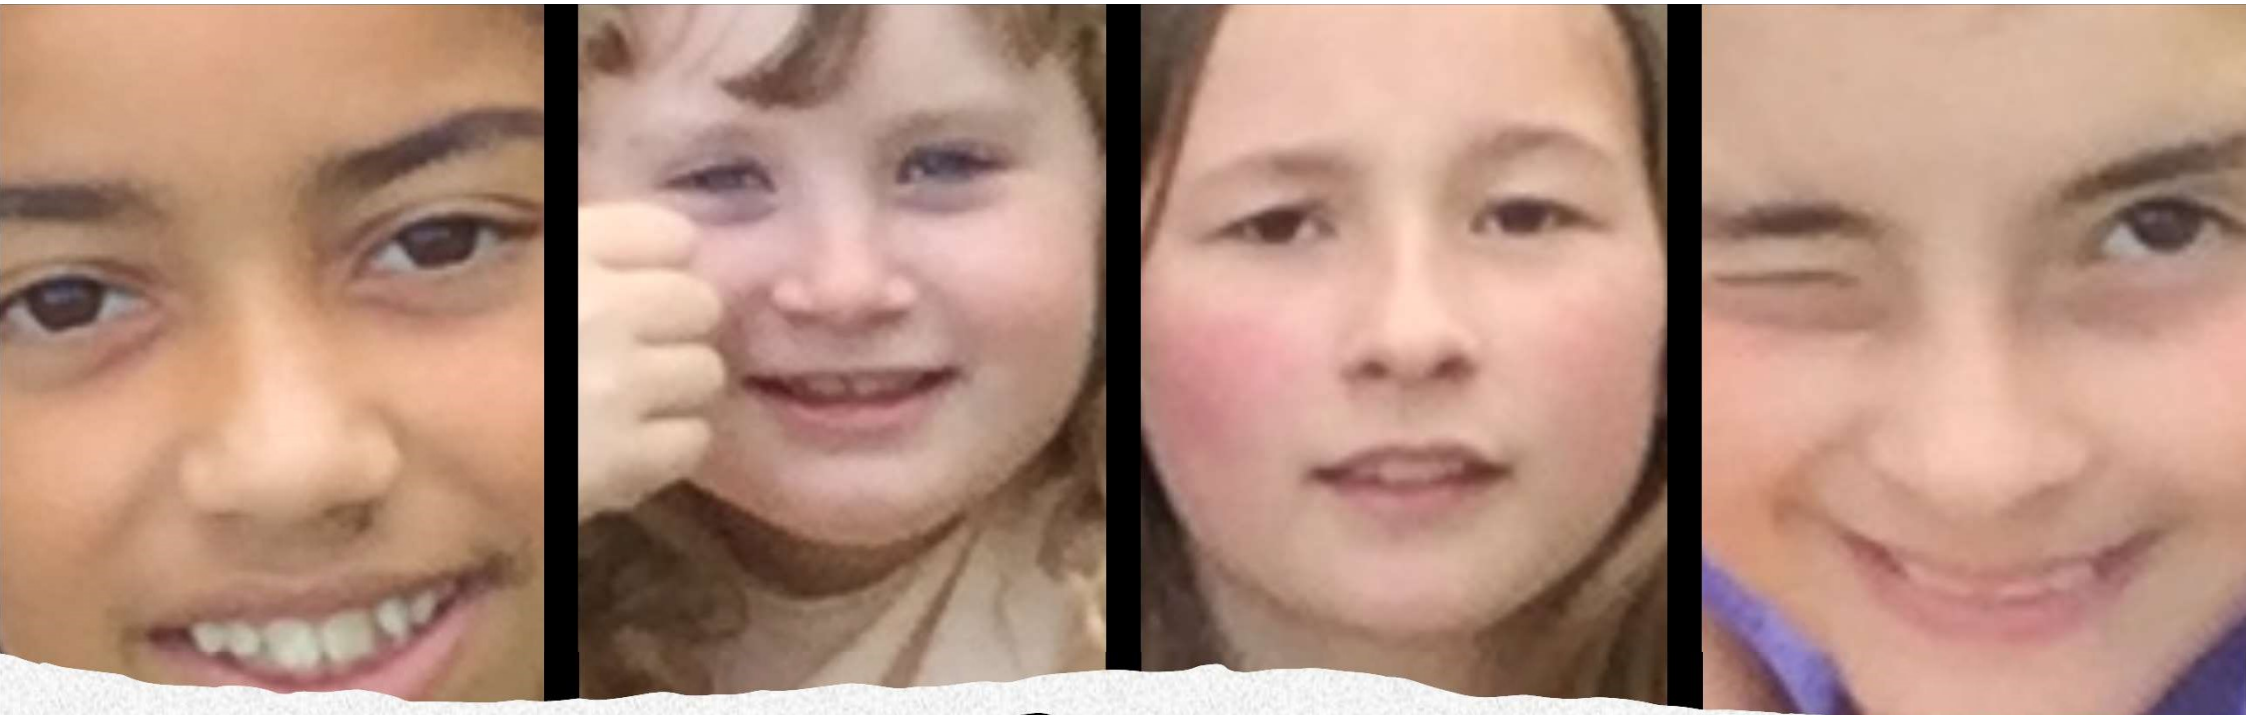

Sitting here under a tree

Pen and paper

Waiting for a Big Idea

Know one will soon appear

In year 4 we made a song
called happy writer

OF 2022~23
BY IVY

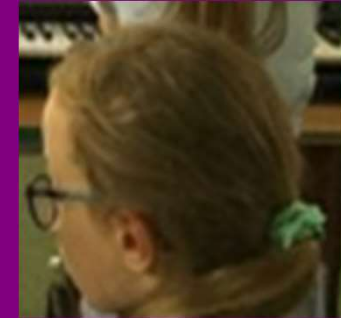

- This is my football club Bure Valley and we won our football tournament and I got a medal!

- 
- A photograph of a robin perched on a branch, framed by a semi-circular arch and a grid. The robin is the central focus, with its characteristic orange-red breast and grey wings. The background is a soft, out-of-focus green. The image is overlaid with a thin, light-colored grid and a semi-circular arch that frames the bird.
- Jack came round my house and I chased a bird round the garden and I slipped on my bottom

An aerial photograph of a suburban residential neighborhood. The houses are arranged in a grid-like pattern with winding streets. Many houses have swimming pools in their backyards. The roofs are mostly brown and grey. There are green trees and lawns scattered throughout the area. The overall scene is a typical suburban development.
