

Dear families,

How exciting to welcome Norwich City Player, Alice Parker and Freya Symonds who led an assembly to the whole school on Wednesday.

They were inspirational as they talked about their football career to date and their ambitions for the future.

It is such a positive thing that our children have strong female role models to encourage them and that women's football has moved on so much in recent times.

Boy's Coltishall Match Report

By Oscar T

On October 6th our boys' and girls' football teams played against Coltishall. In the end it was a 3-2 loss for the boys. Early in the game, Jude assisted Max who scored first off a header but it was disallowed (because you're not allowed to use your head in primary school). Then Coltishall scored two times before half time. After half time, Max scored a free kick and they scored straight after. Around five minutes later, Max assisted Oscar who scored. Then it was really tight for the last three minutes until the final whistle and it ended 3-2.

Coltishall Girls' Game

Match report by Frankie

In the girls game the end result was 1-0 and we played amazingly. With Evie and Megan taking turns in goal, we had Ffion, Mia and Georgina in defence and Ivy and Eadie on the wing. Frankie and Rowan played in centre midfield and Grace as striker but, with Rowan injured late in the game, Mia played on the wing and did an assist for Grace who scored an amazing bottom corner shot with the last kick of the game. Ffion got player of the match for amazing defending.

KS1 Cathedral visit

Coots and Bitterns enjoyed their trip to Norwich cathedral. We were lucky to explore the cathedral and learn more about creation. The bus ride was a highlight also!

NCFC assembly

The children enjoying an assembly from NCFC players Alice Parker and Freya Symonds.
