

Dear Families

On Wednesday, I enjoyed taking a small group of Y3/4 children to Neatishead where they met with children from Neatishead and Fleggburgh to play netball together. The children immediately got on well with one another and I could see their confidence growing as the afternoon went on. It will be fun to meet up more often in this way in the future. I am pleased that the residential planned for year 6 in March next year will be with Fleggburgh.

Enjoy the weekend.

Remembrance

The children had a special assembly today to think about Remembrance and the significance of the poppy. This was followed up later in the day with a one minute silence.

**Governor feedback**

I am a new governor at the federation and I wanted to share how impressed I am with the level of passion, knowledge and expertise of all staff. They all work so hard and are being very patient with me as I ask many questions and learn about how the schools work and support each other. As well as learning about the structures and ins and outs of the schools I am learning about all the things teachers do to help, encourage and support our children. For example, did you know teachers allow the children to choose their own challenge levels in maths? This creates a wonderful attitude to learning helping the children see how much they are in control of their own learning and how making mistakes is a sign of learning. What a brilliant way to support our children with their growth mindset!

Welcome back

In so many ways, it hasn't felt like Miss Middleton (Sophie) has been away. But she has been on maternity leave and will be returning to work on Monday. We are all looking forward to her being back in Fledglings and back at Salhouse.

A big thank you to Miss West (Beth) who has covered so brilliantly for Sophie over the last few months.

Fledglings is a thriving nursery – we are so proud of how well the Fledglings' staff team work together.

Children in need- Friday 17th November

We are inviting children to wear something spotty with normal school uniform, it could be a spotty t-shirt, headband or tights. Donations will be collected on the gate.

We will also be running a colouring competition for all children. Colouring sheets are available from the school office for 25p, all entries must be handed into the school office by Friday 17th. We will announce a KS1 and KS2 winner during assembly on Monday 20th where they can claim their prize.

**Personalised christmas cards**

Our online shop will reopen from 17th – 24th November.
