

Dear Families,

It's been another busy week across the school. On Monday, we started the week with our whole school RE day organised and led by Mr Leaver. The children were taught by each teacher across the day in their house teams. Coots enjoyed their visit to Mill Farm and experienced life on a working farm. Year 6 are busy prepping for their SATs. I want to give Mr Wilcher and Mrs Bending a warm welcome to the Salhouse family. Have a lovely weekend when it arrives.

Mrs King

Helpers needed

FOSS need helpers for their Summer Social on Sunday 9th June between 11am and 3pm. Can you help even just for an hour? Please contact FOSS on foss2019@yahoo.com

Fundraising

Thank you to FOSS for donating the money raised from the National Happiness Day non uniform day.

We raised £58.40 which is being used towards children's wellbeing and we will be spending it on

Lift share

We have a family that would like to lift share, do you live in Rackheath and are you able to lift share to and from school?

If so please contact the school office so we can put you in touch with them.

Fun at the Fair menu

This will be the Hot and vegetarian option for the day but Jacket potatoes and packed lunch will still be available

Good bye and Good luck

During assembly last Friday we said good bye to Mrs Donnachie who has started her maternity leave. Mrs Donnachie will be missed but we wish her all the best and we can't wait to meet the baby. The children made her a lovely card and gave her a bunch of flowers.

Netball winners

On Wednesday our netball team took part in a Cluster schools netball tournament, they played 8 matches, winning 7 and drawing 1. The team only conceded 2 goals and were crowned overall winners.

The team were very gracious to all the other teams and players and we are extremely proud of how they conducted themselves. What a team!

Coots visit to Mill farm

Coots got to experience a working farm when they visited Mill Farm this week. The children were able to meet the baby lambs and the cows. Thank you to Mill Farm for the invitation to visit.

WEBINAR

Wednesday
22nd May 2024
(3.45 - 4.30pm)

SUPPORTING CHILDREN WITH SEND

Join us on a journey of discovery as we embark to create a more inclusive and supportive mental health & wellbeing provision for children with Special Educational Needs and Disabilities (SEND) in schools.

We will be accompanied by dedicated professionals who possess a wealth of first-hand experience, insights, and practical tools. Together, we aim to foster a deeper understanding of the mental health & wellbeing of children with SEND and explore strategies for creating positive change in our interactions and engagement with them within the primary and secondary school environment.

Together, we can work towards a brighter future, where every child has the opportunity to thrive and succeed.
