

Dear parents and carers,

Following a wonderful Easter break, the new school term has certainly started apace!

This week, we've welcomed Mrs Donnachie and Mrs Morgan into our Coots class, with both teachers working tirelessly to develop relationships with the children. Be sure to say hello if you see them on the gate.

We've formally introduced our new lunchtime rota – scheduling football on certain days only, whilst providing a range of alternative activities. I am pleased to say that I felt incredibly proud to look around the field on Thursday and see so many respectful games and interactions unfolding; ours truly is a wonderful community.

With the arrival of warmer weather, now is a good time to ensure that your child brings in a sun hat each day (please clearly label this). Your child should also have access to their own water bottle. When applying or topping-up sun cream, please note that staff are *not* able to do this *for* your child. For peace of mind, there are many products on the market which only require a single – before school – application!

With my thanks and best wishes, Mr Will Emmens (Head of School)

Roy's @ 130 (or 'Salhouse's Got Talent'!)

A huge congratulations again to Sully in Y6 – whose design won Roy's 'Birthday card competition'.

We're proud that Sully represents us and will ensure that the portion of his winnings for the school have a lasting legacy.

Thank you to everyone who voted in the competition - for *any* design!

Thank you, FOSS!

We'd like to extend a great, chocolately THANK YOU to FOSS, who provided all of the Easter eggs that children brought home with them on Friday 4th April. Marking occasions in this way would not be possible without their continued support.
