

Dear parents and carers,

The second part of the Summer Term is well underway and we've enjoyed getting stuck in to lessons across the school. I have been particularly impressed by the behaviour and attitudes of many of our older children in Years 4, 5 and 6 this week, who are really showing what it means to be role models to younger pupils.

Over the next two weeks, there will be lots of important assessments taking place across the school, with the Year 1 Phonics Screening Check, Year 4 Multiplication Tables Check (MTC) and summer test papers in reading, grammar and maths for all children in Years 1 – 5.

Whilst none of these are cause for alarm, we understand that tests can provoke emotional responses in children at times. Please speak to your child's teacher, Mrs Feeley or Mr Emmens as soon as possible with any concerns.

With my very best wishes,
Mr Will Emmens, Head of School

Coming up next half term

JUNE

Sunday 8th June – FOSS Summer Social

Monday 9th June – Class photographs

Monday 9th June – Mr Treagle & Year 7 students from Broadland High School visiting Year 6

WB 9th June – Y1 Phonics checks / Y4 MTC

WB 16th June – Assessment week (Y1 – Y5)

Wednesday 18th June – House captains meeting

Served with Chips, Crunchy
Salad Sticks and
Tomato Sauce

Cocoa Oat Cake

26th June 2025

Hot Dog **or** Plant Sausage
In a Roll (v) served with Loaded
Nachos, Crunchy Salad Sticks and
Tomato Sauce

Rocket Lolly

Forest school Heroes!

A massive thank you to all the parents, children and staff who helped during half term to lay the base and put up the new shed in the forest school area. Mrs Truman-Greive would not have been able to do it without your help and hard work, it was an amazing team effort over three very hot days. Your children will be able to benefit from this for a long time to come!

Sports Day 2025

This year, Sports Day will be on Thursday 26th June 2025.

Children should wear their full PE kit (white t-shirt, black shorts and trainers) for the duration of the day.

As in previous years, the format of the day will involve children getting into their 'house' teams (blue, green, purple, red and yellow) before engaging first in a morning of throwing, jumping and agility-based activities.

Children will eat lunch on the field.

In the afternoon, we would like to invite you - the parents and carers - to come into school and cheer your children on in a selection of exciting races. **Please arrive from 1pm.**

There will be a short celebration presentation with the whole school following the races. The day will conclude at approximately 2:45pm, subject to events running to time.

Should the weather forecast be poor, we may need to rearrange the day - we will aim to give as much notice as possible for this.

Parents and carers wishing to attend in the afternoon are warmly welcome and should arrive via the carpark gate, however we ask that any photos/videos you wish to take of your children are **not** put onto social media and are kept for personal use only. This is to ensure the safety and wellbeing of all in our community.

Spotlight on: Autism Spectrum Disorder

Autism Spectrum Disorder (ASD) affects approximately 1:100 people in the UK.

ASD is a neurodevelopmental condition. It cannot be caught or 'turned off'.

Learning how to support others who have ASD – or who care for those who do – is a small, but incredibly important change that we can all make so that we are Autism Aware and to help build compassionate communities.

Why not spend five minutes (OK, 5:30) watching this short video for more information: [Amazing Things Happen! - YouTube](#)
